

LES PRODUCTIONS PUBS DU TROISIÈME TRIMESTRE 2004

Chaque trimestre, le CFP-Belgium et Media Marketing proposent de publier un récapitulatif des productions publicitaires réalisées au cours des mois écoulés. L'objectif poursuivi étant d'évaluer le volume économique des productions et de suivre son évolution dans le temps. Les informations publiées ci-après sont récoltées par le CFP-Belgium pour ses membres, et par MM pour les maisons de production non-membres du CFP.
